Note: a written set of installation instructions is available. The fence material also makes an excellent trellis or can be used to cover small shrubs.

### Product Warranty, Fencing Material:

The manufacturer warrants that their product meets the following specs and is free from defects in material and workmanship for a period of one year from the date of shipment from the manufacturer's warehouse. Warranty does not apply to any of the goods being altered or misused in any way or improperly stored or handled, nor which have been put to other than normal use and service. The Material is Polypropylene; mesh size may vary slightly. MD Tensile Strength is 506.1lbs/ ft. TD Tensile Strength is 817.3 lbs/ft. Product tested was ASTM D 4595.

TLD represents a number of different manufacturer's. Warranties for specific products will be provided upon request. The manufacturers are solely responsible for honoring all warranty claims, not Tizer Lake Distributors, LLC.

Prices are subject to change.
